Title: International Equestrian Routes Catalog

Traveling in Europe on horseback is an experience you will never forget. It is to return to the origins of transport that man used for his conquests. Evolution as a species we devemos to the horse, likewise you evolve as a person when facing your strengths and weaknesses.

In our routes you will discover the gastronomy, history, culture and traditions of the villages we visit.

All routes include lodging, food and specialized guides as well as horses and mounts.

Does not include: Alcoholic beverages, tips and taxes.
