Home Page Title: Observe the World through the ears of a horse

**About Us:**

We are a company with 10 years of experience in the equestrian tourism sector in Mexico.

The company was formed by Adriana Real, representative for Mexico to the World Organization of Equestrian Tourism O.M.T.E.

**Mission.**

Disseminate the experience of riding a horse to discover the nature, history, culture and traditions of the countries that are visited by other means of transport is not easily accessible.

**Vision:**

Create an international equestrian tourism network where each country interacts and communicates to disseminate its equestrian routes, which are certified under the international CHA standards "Certified Horsemanship Association" of which Horsetrail Mexico is a certifying partner for Mexico and Latin America. Educate and inculcate the dignified treatment of nature horses and riders involved in the route.

**Objective:**

A.-Certify companies to offer the tourist product of the equestrian routes to the interested public: with security and viability of passage with a horse.

B.-Incorporate the companies certified by Horsetrail Mexico to the Federation of equestrian tourism of Mexico.

C.-Horsetrail Mexico Tours its objective is to disseminate and offer tourism companies the Equestrian Routes of the members of the Association.

D.-Horsetrail Zafiro Tours is the travel agency where reservations are made for each equestrian route.

Each of our routes has medical expenses insurance to the traveler.
